Spring NEWS

JUNE 08

Hey - Win a pair of new G3 skis !!

Greetings everyone and hopefully all that snow we received last winter isn't flooding out your basement. Here in the Rockies it has been a very cool spring and so far the creeks and rivers are not causing any problems.

Cindy and I would like to pass on a big thank you to all those folks that came and skied with us last winter. Also a big thank you to the staff for keeping every one safe during a very difficult winter that had us forever looking for those persistent weak layers.

Just a reminder to those of you wanting to book for next winter, we will be holding this years prices until the end of June. After that we are expecting to have to increase them. Also by booking early, before June 30th, your name will go into a draw to win a pair of brand new G3 skis.

NEW for next winter we will have Sandra Birnie, a level 3 ski instructor at the lodge for selected weeks. So if you would like to clean up your technique or if you have a spouse/partner that is worried about their powder skiing abilities and doesn't want to hold the group back. This may be the way to get them to join you on a backcountry ski trip and improve on their skiing skills and confidence. Sandra will be able to give instruction one on one or as a group. Call the office for more details. 1-866-647-8292

As we get closer to summer and the last of the winter snow melts around the lodge, we're looking forward to getting back up to Mistaya to start on the long list of chores.

NEW for this summer there will be a separate shower stall over at the sauna house. Hopefully this will add a little more comfort to those not wanting to use the sauna or go for a swim in the lake.

Sandra and Kim will both be back again for the summer season up at the lodge along with Dave and Ginny. Cindy and Kay will be at the hanger to greet everyone as they come and go in the valley.

If you're thinking of hiking with us this summer give Cindy a call or have a peek at our web site for info on dates and availability.

Have a great summer! www.mistayalodge.com

Yours truly,
Dave, Cindy, Sara and Ginny

Early July is the time to come & see the meadows full of Glacier Lily's!
